Volunteers needed to train our Student Doctors!

Could you spare half an hour on a Thursday afternoon to speak to the Student Doctors attached to Pitsmoor Surgery?

Our future Doctors need you! To help our students learn about General Practice it is vital that they speak to real patients about their experiences. There is no physical examination involved. Our teaching sessions are held on **Thursday afternoons** starting around **3pm**.

If you are interested in taking part please speak to our reception staff or the practice manager
